

## BEST MALE FACE SCRUB

### R+B EXFOLIATING FACE SCRUB

We all have those days when our skin feels dull, and our pores are clogged. That's when the R+B Exfoliating Face Scrub comes to the rescue. As an absolute fundamental in any skincare routine, this face scrub is a game-changer. With its powerful exfoliating properties, the R+B Exfoliating Face Scrub promotes cell turnover and effectively removes pollutants from your face. The best part? A little goes a long way with the R+B Exfoliating Face Scrub. Made with carefully selected natural ingredients like turmeric, it brightens up your skin, leaving it more radiant and vibrant. But what makes it truly unique is its addition of repurposed coffee, which adds an extra boost of energy, leaving you energised and ready for what's next. The R+B Exfoliating Face Scrub's gentle cream base makes it perfect for men who want to exfoliate without irritating their skin or facial hair. Expect an improvement of blood circulation which ultimately transforms your complexion to reveal a healthier glow that you can't help but notice.
